

MAINTENANCE LETTER AGREEMENT  
BETWEEN  
THE TEXAS FACILITIES COMMISSION  
AND THE  
DEPARTMENT OF LICENSING AND REGULATION (452)

WHEREAS, the Texas Facilities Commission (TFC) is the State agency with a primary responsibility for maintenance and repair of State buildings, grounds, and property; and

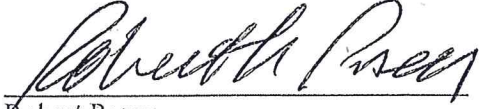

WHEREAS, the Department of Licensing and Regulation (TDLR) has requested the TFC provide an estimate for a proposed project through Work Order No. 657381 / Portal Request No. 20884 and TFC has reviewed the request and proposes a preliminary estimated budgetary amount of Forty-Seven Thousand One Hundred Eight-Seven and 50/00 Dollars (\$47,187.50).

NOW, THEREFORE, pursuant to the Interagency Cooperation Act, Chapter 771, Texas Government Code, and in consideration of the mutual agreements contained herein, the parties agree as follows:

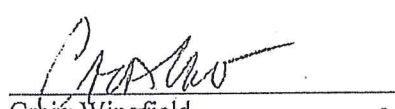

1. The proposed amount of the project requested under Work Order No. 657381 / Portal Request No. 20884 is Forty-Seven Thousand One Hundred Eight-Seven and 50/00 Dollars (\$47,187.50); and is as further described on the detailed budget attached hereto and incorporated herein as Attachment A. The proposed amount is based on information provided to TFC by TDLR and shall remain valid for a period of thirty (30) days from the date of Texas Facilities Commission's letter, November 1, 2018. Failure to approve this work order estimate within thirty (30) days shall render this estimated budget amount null and void, and will result in the work order being closed.
2. If the work order estimate provided above is under Fifty Thousand and No/100 Dollars (\$50,000.00), then this letter agreement may serve as the agreement between the parties, upon execution by Texas Facilities Commission, to move forward with the project. If the estimate provided is over Fifty Thousand and No/100 Dollars (\$50,000.00), then execution of an interagency cooperation contract between the parties shall be required; however, Department of Licensing and Regulation may request the issuance of an interagency cooperation contract for work proposed under Fifty Thousand and No/100 Dollars (\$50,000.00).
3. Expenses will be based on the actual costs of the work for the Project. Services may include but not be limited to services required for research, pricing, estimate gathering, construction document development, and bid monitoring, coordination and evaluation services commenced by TFC as of the date of submission of this portal request. In addition, if the scope of work changes upon agreement by TFC and TDLR, the estimated budget amount may change. An Interagency Transaction Voucher or Invoice (ITV) for the completed services will be prepared by TFC and TDLR shall reimburse TFC within thirty (30) days from receipt of ITV or invoice.
4. Pursuant to Rider 15 entitled *Capital Construction on Behalf of State Agencies* for TFC found in the GAA, Acts 2017, S.B. 1, 85<sup>th</sup> Leg., R.S., art. I (Facilities Commission), any capital items related to construction of buildings and facilities including minor construction projects greater than \$250,000 performed by TFC on behalf of other state agencies do not apply to TFC for the purpose of the capital budget rider limitations specified in the GAA, Acts 2017, S.B. 1, 85<sup>th</sup> Leg., R.S., art. IX, sec. 14.03. By signing this Contract, Department of Licensing and Regulation certifies it has the requisite capital budget authority to fund the services to be provided under this Contract.

This letter agreement shall be effective upon execution by TFC, and it shall continue in effect until completion of the Project. If the work proposed is over Fifty Thousand and No/100 Dollars (\$50,000.00), an interagency cooperation contract between the parties shall be drafted by TFC and submitted to Department of Licensing and Regulation for execution.
